AGREEMENT

By signing above, the authorized Agents have entered into this Management Company Master Signature Card, Agreement and Resolutions (the "Agreement") on behalf of the Management Company set forth above (the "Management Company"). The Agents have been granted the power to bind the Management Company to this Agreement pursuant to the Resolutions set forth below. The Management Company's accounts opened pursuant to this Agreement will be governed by the terms set forth in the Account Agreement and Disclosure, the Time Certificate of Deposit Agreement (if applicable), the Rate and Fee Schedule, the Funds Available Policy Disclosure and the Electronic Funds Transfer Agreement and Disclosure if requested, as amended by the Financial Institution from time to time (collectively, the Account Agreements"). Management Company acknowledges receipt of a copy of the Account Documents.

Each account opened under this Agreement shall be held on behalf of Management Company and one or more of its customers and Management Company represents that it will maintain records reflecting the beneficial ownership of all funds in the accounts. Accounts opened after 5:00 PM shall be dated effective the next business day.

Each authorized Agent shall have the power to receive information or give instructions to the bank concerning any accounts opened under this Agreement. Management Company will promptly report to the Bank, in writing, the dismissal or other termination of any authorized

Agent. The Bank may continue to rely upon the authority set forth in this Agreement until it has received such written notification and has had a reasonable time to respond to such notification, which shall be no less than one business day after the day notification is received. Management Company will also promptly report to the Bank, in writing, any breach of confidentiality of any security procedures and any suspicion by Association that confidentiality may be or has been breached.

Management Company authorizes the Bank to accept facsimile signatures for the authorized Agents at any time, to charge Management Company for all checks, drafts, or other orders for the payment of money, that are drawn on the bank regardless of by whom or by what means the facsimile signature(s) may have been affixed so long as they resemble the signature specimen set forth above, or that are filed separately with the Bank.

Management Company authorizes the persons or combination of persons listed as Agents, above, to endorse on behalf of Management Company, any check or other items payable to Management Company or for which Management Company has been granted the authority to accept for deposit, to deposit such checks or other items into the account with or without such endorsement, to negotiate any such checks or other items for cash without depositing them into the account and to direct withdrawals from the account by check drawn on the account or otherwise, including withdrawals payable to anyone who is an authorized Agent.

The Bank is responsible only for the use of ordinary care in the receipt and action upon instruction received from the Management Company or other representative, which the Bank in its reasonable judgment believes is acting in such capacity. Management Company agrees to indemnify and hold harmless and defend the Bank from and against any and all actions, claims, demands, liability, loss, damages, or expenses of any nature including interest, costs and attorney's fees which may arise out of or occur in connection with any action taken pursuant to this Agreement, other than resulting from the gross negligence or misconduct of the Bank or its employees or agents.
